VIVA Cup Warmer 360

VIVA add-on unit for pre-warming cups and saucers and making them available for use.

Design:

All major parts are made of high-grade stainless steel. Housing parts are made of easy-care plastic.

Features and equipment:

The VIVA Cup Warmer has three electrically heated hot plates, a power unit and connection cable. In VIVA design, the VIVA Cup Warmer can be connected to a VIVA Coffee Machine or can be used as a standalone device. All three heated levels are centrally switched On/Off.
