Betrifft **New Website Franke Coffee Systems**

Dear Franke Partner

Franke Coffee Systems' new website is now online!

www.franke-cs.com

- NEW: Franke Coffee Systems takes a bow as the parent company
- NEW: details of each country's company are now accessible via a separate menu
- NEW: the entire range of Franke and bremer coffee machines and related products can now be viewed on one page
- NEW: detailed planning information is now contained under one regularly updated menu heading.

The new website also incorporates a wealth of other improvements, together with the latest news about our partners and activities, about trade fairs and articles in the media, about coffee in general, and lots more...

Why not check it out now!

Yours truly
Franke Coffee Systems
