Please note

That the indicated total height of the coffee machine of 680mm is measured without the base (feet)!

Following are the total heights with:

- Standard feet: = 680 mm + 30 mm = 710 mm
- Plastic feet: = 680 mm + 65 mm = 745 mm
- Metal feet: = 680 mm + 100 mm = 780 mm (UL / NSF)

As for the rest the local regulations are binding!
